

Power Supply Controller

Specification

The power supply choose original high grade component, and was produced assembly. Professional design, consummate technics, and we provide quality guarantee.

Size : 180Lmmx79Wmmx63Hmm

Input Voltage: AC220V,50Hz

Output Voltage: DC12V

Max.Current : 3A

Operating Humidity : 30%-90%

Operating Temperature: -20°C-55°C

Time: 0-30sec

Weight: 1.2kg
