

Power Supply Controller

Specification

The power supply choose original high grade component, and was produced assembly. Professional design, consummate technics, and we provide quality guarantee.

Size : 200Lmm x 165Wmm x 75Hmm

Input Voltage: AC220V,50Hz

Output Voltage: DC12V

Max.Current : 3A

Operating Humidity : 30%-90%

Operating Temperature: -20°C-55°C

Time: 0-30sec

Weight:1.55kg
